

Organically Speaking

Description:

Offering a wide range of over 2000 organic and local products all under one roof.

We offer a local delivery service in our own van to parts of Hampshire, Berkshire and Surrey and a courier or postal service for further afield.

Products are sourced locally or from the UK whenever possible. Examples include Pollen Organics products from Hampshire producing amazing marmalades, fresh mayonnaises and relishes. Local honey (great for Hayfever sufferers) from Fleet and Crondall, gluten free pastys from Reading

A great range of organic skincare is stocked, suitable for all skin types and especially good for people with allergies from Lavera, Jason, Faith In Nature.

We offer a refill service for Ecover household products such as washing up liquid, laundry liquid, fabric conditioner

Also available are products for dietary needs such as wheat, gluten and dairy free.

As well as delicious fruit & veg we stock an increasing range of groceries, dairy, meat & fish, herbs, spices, gifts
